Anton Samofalov

Software Engineer | Java, C#, React

@ asamofalov@myseneca.ca   🔗 linkedin.com   📍 Toronto, Canada

SUMMARY

Aspiring software developer with a background in Computer Science. Driven by a passion for technology and inspired by industry professionals, I am pursuing a diploma in Computer Programming and Analysis at Seneca College. With hands-on experience in ASP.NET Core and a strong foundation in C#, I am particularly focused on enhancing my skills in web development, mobile app development, and game development. Committed to expanding my technical expertise and gaining practical experience in a dynamic Canadian environment.

EDUCATION

Computer Programming and Analysis
Seneca Polytechnic   📅 2024 - Present   📍 Toronto, Canada

Degree and Field of Study
School or University   📅 Date period   📍 Location

Software Development
IT Academy STEP   📅 2020 - 2022   📍 Kyiv, Ukraine

PROJECTS

React Admin Panel
📅 2022   📍 Kyiv, Ukraine

Developed an admin interface for managing content and users using React.
· Gained useful experience.

Live Store Application
📅 2022   📍 Kyiv, Ukraine

Created an e-commerce platform that supports live data using the Blazor framework.
· Gained useful experience.

University Admin Panel
📅 2022   📍 Kyiv, Ukraine

Built an admin system for managing university operations using Blazor.
· Gained useful experience.

STRENGTHS

⚡ **Problem-Solving**
Resolved complex software issues in previous role delivering a 40% reduction in long-standing unresolved problems.

🏅 **Collaboration**
Led a cross-functional team of four developers in the successful execution of a critical project on time and under budget.

✔ **Adaptability**
Quickly incorporated new software updates in all projects, ensuring minimal disruption to workflow and maintaining project schedules.

SKILLS

Java   C#   React   C++   .NET

HTML5   JavaScript   CSS3   SQL

Data Structures and Algorithms

CERTIFICATION

SQL Database Development
Completed an advanced SQL course from Microsoft Imagine Academy.

Cisco Networking Academy Certificate
Completed a software engineering course from Cisco Networking Academy.

PASSIONS

⭐ **Coding**
Enjoy building and optimizing software applications, always on the lookout for new programming languages and techniques to learn.
